

Rhoda and the Fossil Hunt

Music by John Musto
Libretto by Eric Einhorn

Finale: "Deinocheirus with your great big claws..."

Rhoda shows the completed diagram to Toppy and he is able to complete his painting. Dr. Osborn's paleontologists also just found a complete skeleton that look a lot like Rhoda's diagram.

Everyone celebrates by going out for a chocolate chip sundae!

Trio:

| RHODA:

Deinocheirus with your great big claws
You don't scare me at all, because
I found your bones in my hunting game
But Rhodasaurus might be a better name.

| OSBORN:

Scientific inference!
You looked at the facts.
Followed each clue.
I'm so proud of you.

| TOPPY:

Passion
Patience
And imagination
I'm so very proud of you.

RHODA, TOPPY, & OSBORN:

Rhodasaurus might be a better name.

TOPPY: (looking at his watch)

Time to go meet Grandma for ice cream.
What do you say?
We'll tell her about our day!

RHODA:

And get a chocolate chip sundae!
Thank you so much, my friends, for joining me
today.
