## **TICKETS & GROUP CHECK-IN PROCESS**

- 1.) Please distribute tickets to students while on the bus before entering the Lyric Opera House. Be sure to group students with chaperones prior to entering the building. Students will each need a printed ticket in hand to find their seat location.
- 2.) Upon arrival, please have a group leader enter the lobby (before the students enter) and check in with the Lyric Unlimited team (located at a table on the right side of the lobby). Please give your school name and exactly how many people are in attendance. We will then manually check in your entire group rather than scanning individual tickets.
- 3.) Once given the "okay" from Lyric Unlimited, students can line up along the building and enter through the rightmost doors in a single file line. We ask that you do not crowd the entrance and quickly make your way to the stairs to your seats. Please limit the use of elevators to those with mobility restrictions.

## **BUS SCHOLARSHIPS**

If you have received bussing through Lyric's Bus Scholarship program, please stay tuned for a separate email regarding details around your field trip transportation.

## **BACKPACKS & SECURITY**

All persons entering the theater will be subject to a safety and security search and prohibited items may be confiscated.

Please advise students to leave backpacks on the bus. Large bags/backpacks are prohibited in the auditorium; guests will be asked to check their large bags at one of our coat check locations for a fee of \$2 (cash only).

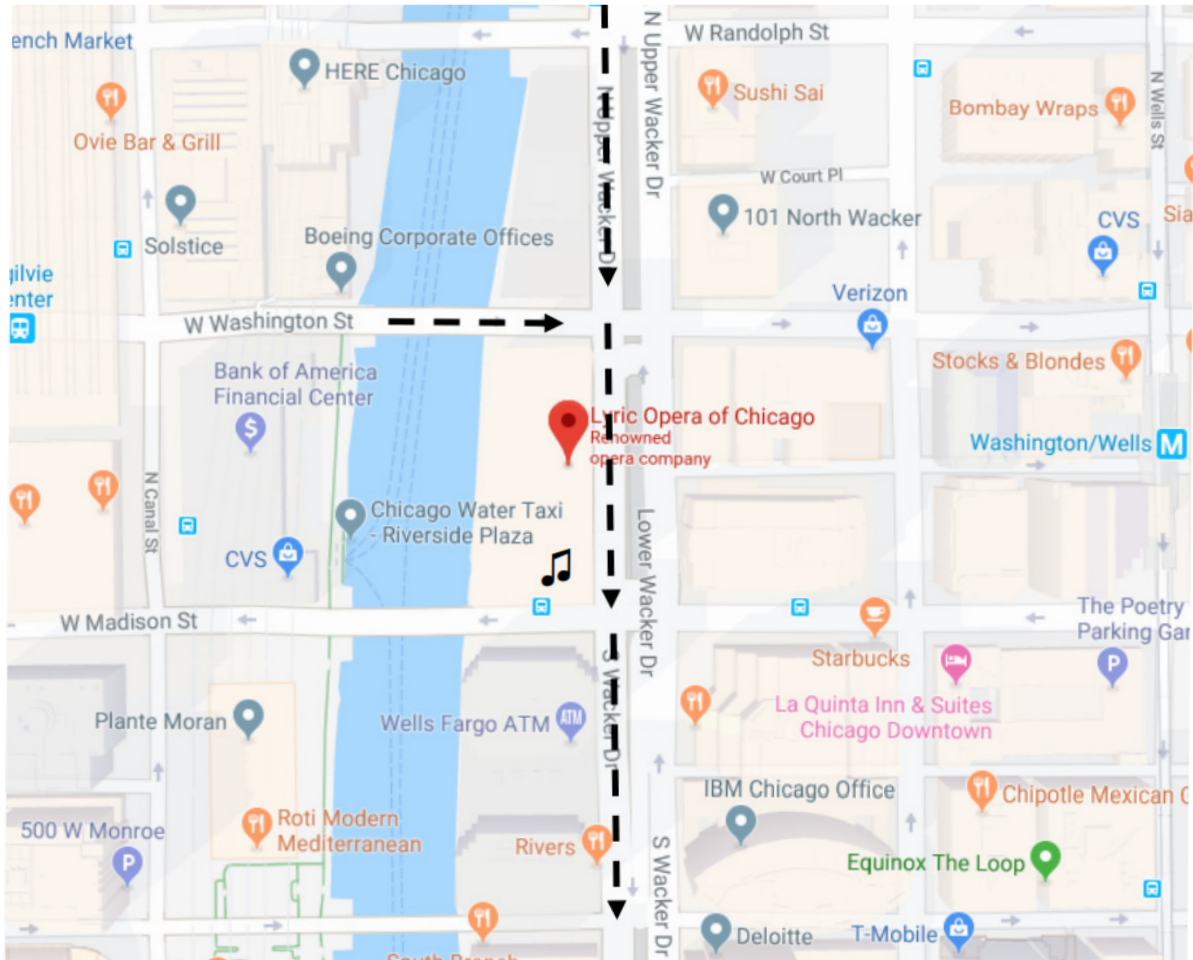

## **LUNCHES**

If anyone is bringing a lunch from home, please plan on eating on the bus either before or after the show. Outside food and beverages are not permitted.

## **TEACHER RESOURCES**

Teacher resources are available for select performances to help lead class discussions about the opera. We encourage you to include these in your lesson plans prior to the performance to give students a taste of what they're going to see and hear onstage.
